Virtual Election

This year, Board Elections will be held through email. That's right - the Annual Meeting will be held in an unconventional way--in these unconventional times.

The Annual Meeting will be called to order by email on **Thursday, July 30**. All members in good standing will be sent a ballot. Only one vote will be allowed per paid member (members with Family Accounts: each of your family members can vote).

The voting period will be 24 hours.

Be on the lookout for more information. This method of voting will be done within the limits of the bylaws and is a direct result of Covid-19-related restrictions.
