

Robin Maryann Guillie

*Candidate for Board,
PFLAG New Orleans*

Hi again my PFLAG friends,

As many of you know, I've only been a member of the group for a few years. Yet, in that time I have benefited greatly from the support, friendship, and community found here. It's in that same spirit that I would like to be more active with the group, to give back in some way to that which I've benefited from so greatly. To that end, I humbly ask for your support to serve on the group's board.

Community Background:

Today, I live as a trans woman. One who began transitioning outwardly five years ago. Prior to that I lived most of my life as a gay man. I'm the proud daughter of lesbian mothers who were together almost thirty years, separated only by death. I grew up around the LGBT community. I remember first hand, LGBT elders telling me their stories, of how things used to be.

Professional Experience:

I'm a transportation industry professional. My core background is in heavy truck ground transportation. I've held a number of operations, maintenance, and supervisory positions within the field. I'm a native of Southeastern Louisiana and have extensive knowledge of the industry in this area. I'm an experienced manager that excels at administrative and organizational tasks. I'm a prolific researcher: If I don't know the answer today, I will tomorrow. My career has been spent in a heavily regulated field and I'm used to working within regulatory frameworks.

In closing:

I believe that my community background, professional experience, and core competencies make me well suited for serving a group like this one. My goal is to make productive, meaningful contributions, and to make a difference in all work I take on. If selected, I will bring care, knowledge, and skill to my work with the group. I humbly and with great respect, ask for your support to serve on the groups board.

Contact:

I warmly welcome any contact from the group. If you would like to discuss anything, or just chat, please reach out to me. My cell number is 504-223-3655 and my email is robinguillie@gmail.com
